27th June 2020

Dear Member

We hope that this letter finds you well and that you and your family have been able to stay safe during the past months. We wanted to update you on the current position of our club, in light of the current pandemic, that has swept our country.

Our Club will be re-opening on the 4th July 2020 following the guidance measures, issued by the government, local authorities, and our diocese. These measures will include the following;

- All members must observe the national social distance of staying 2 metres apart whilst in the club
- No person should enter the club if they feel in any way unwell, particularly if they have a high temperature, a new continuous cough, cold symptoms or loss of taste and smell
- **Purchases at the bar will only be done using contactless payment. (No Cash purchases)**
- Whilst at the club, members must move away from the bar area, as soon as they have been served and sit at tables within the club (Standing at the bar will not be allowed)
- Increased hygiene procedures will be put in place, including hand sanitisers and increased cleaning schedules.

The Club will be open at the following times for the first two weeks;

Monday to Thursday 19:00 to 22:30

Friday 19:00 to 23:00

Saturday 12:00 to 23:00

Sunday 12:00 to 22:30

There will be no entry to the club after 22:00 Sunday to Thursday and 22:30 Friday and Saturday for members and non-members.

The opening times will be reviewed in the second week by the Directors to decide whether it is viable for the club financially to open seven days a week and the decision will be based on the use of the club over the opening weeks.

Certain activities of the club will open in phases. During the initial phase, there will be no live music, pool, darts, weekly raffle or gaming machines in operation. We will have the big screen/TV on and background music in the main bar. We will keep you informed when we are able to introduce each new phase and what this will include. Updates will be on the Clubs Facebook page and the La Salette parish website

As a non-profit making organisation cash reserves are not high, so, it would be appreciated if all members pay their £25 membership fees as soon as possible, to assist with cash flow in these difficult times. This can be made using contactless payment

We would like to thank you for the support you have given the club over the years and we hope that you are able to continue to support the club to remain open.

We know that this has been a difficult time for everyone and we remember with sadness, those members that have been victims of this virus and our thoughts are with their families and friends that they have left behind.
